VI. Presentation

A. Preservation Plan – Mrs. Conklin asked the Board to determine whether they should consider adoption of the Horry County Historic Preservation Plan as an amendment to the Horry County Comprehensive Plan. She presented an overview of the most important aspects of the plan. Mrs. Conklin stated she did not place the goals and strategies in the presentation. She stated the Board needs to carefully look over the goals and strategies because these are what will specifically guide the Board over the next five to ten years.
