

## Roof Assembly Affidavit - Residential

Permit Number: \_\_\_\_\_

Date: \_\_\_\_\_

Site Address of Work: \_\_\_\_\_

Initial applicable below:

\_\_\_ **Roof Covering:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the *roof covering* and all necessary components of that system as required per manufacturers specifications along with the provisions outlined in Chapter 9 of the 2021 South Carolina Residential Code. The complete *roof assembly* installation is specific to the wind design per the site location notated above.

\_\_\_ **Roof Deck:** As the contractor of record or *owner* / builder, I attest to the installation of the *roof deck* in accordance with design specifications outlined in the *construction documents*.

\_\_\_ **Roof Terminations:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the mechanical and /or plumbing vent roof termination(s) in accordance with the manufacturer's specifications along with the applicable provisions outlined in the 2021 South Carolina Residential Code.

\_\_\_ **Rooftop – Mounted Photovoltaic Panel System:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the rooftop mounted *photovoltaic panel system* in accordance with the design specifications outlined in the *construction documents* along with the manufacturers installation specifications. The installation meets provisions set forth in sections R324 and R902.4 of the 2021 South Carolina Residential Code in addition to electrical provisions of article 690 of the 2020 NFPA 70 (NEC).

Note: Italicized terms are defined in chapter 2 of the 2021 South Carolina Residential Code
