	Initial
I have read and understand SC Code §16-17-680 and 16-11-523 and that it is my responsibility to comply with all requirements of the law.	
While a partial list of relevant laws are listed below, I understand that it is my responsibility to comply with the law at all times.	
I understand that §16-17-680(C) (1) states that anyone who wants to transport or sell nonferrous metals to a secondary metals recycler shall obtain a permit to transport and sell the nonferrous metals.	
I understand that §16-17-680(C) (2) states that a resident of South Carolina or an entity located in South Carolina, shall obtain a permit from the sheriff of the county in which the person resides or has a secondary residence.	
I understand that §16-17-680(C) (8) states a permit is valid statewide and expires on the person's birth date on the second calendar year after the calendar year in which the permit is issued, or, if the permittee is an entity, the permit expires on the date of issuance on the second calendar year after the calendar year in which the permit is issued.	
I understand that §16-17-680(D)(1) states it is unlawful to purchase nonferrous metals in any amount for the purpose of recycling the nonferrous metals from a seller unless the purchaser is a secondary metals recycler who has a valid permit to purchase nonferrous metals and the seller has a valid permit to transport and sell nonferrous metals.	
I understand that §16-17-680(E)(1)(a) states that it is unlawful to sell nonferrous metals in any amount to a secondary metals recycler unless the secondary metals recycler has a valid permit to purchase nonferrous metals issued and the seller has a valid permit to transport and sell nonferrous metals.	
I understand that §16-11-523(B) states it is unlawful for a person to willfully and maliciously cut, mutilate, deface, or otherwise injure any personal or real property, including any fixtures or improvements, for the purpose of obtaining nonferrous metals in any amount.	
I understand that §16-17-680(I)(2) states that it is unlawful to possess, obtain or otherwise acquire, transport, or sell a used detached catalytic converter or any nonferrous part of a catalytic converter without a permit and without providing the following documentation to law enforcement and/or a permitted secondary metals recycler: 1) Name of the person or company that removed the converter; 2) the name of the person for whom the work was completed; 3) make and model of the vehicle from which the converter was removed; 4) the VIN of the vehicle from which the converter was removed; 5) part number of other identifying number of the converter; and 6) certificate of title or certificate of registration which must show seller's ownership interest in the vehicle from with the converter was removed	
I understand that if any of my responses on this form change for any reason, my non-ferrous metal permit application must be updated with the issuing agency within five (5) days of their occurrence. I understand that if I fail to notify the issuing agency of any changes and continue to use my permit to sell/transport non-ferrous metal, my permit may be suspended.	

By signing below, I acknowledge that I understand that I must comply with all local, State and Federal laws at all times. I swear or affirm that all statements made on this application are true and correct. I am informed of and will comply with the requirements of Chapter 16 Title 17 Section 680 of the State of South Carolina Code of Laws, 1976. I further understand that a permit may be denied, suspended or revoked at any time if the local law enforcement agency discovers that the information on this application is inaccurate or I do not comply with the requirements of Chapter 16 Title 17 Section 680 and Chapter 16 Title 11 Section 523 of the State of South Carolina Code of Laws, 1976.
