

Roof Assembly Affidavit - Commercial

Permit Number: _____

Date: _____

Site Address of Work: _____

Initial applicable below:

___ **Roof Covering:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the *roof covering* and all necessary components of that system as required per manufacturers specifications along with the provisions outlined in Chapter 15 of the 2021 South Carolina Building Code. The complete *roof assembly* installation is specific to the wind design per the site location notated above.

___ **Roof Deck:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the *roof deck* in accordance with design specifications outlined in the *construction documents*.

___ **Roof Terminations:** As the contractor of record or *owner* / builder, I attest to the installation of the mechanical and /or plumbing vent roof termination(s) in accordance with the manufacturer's specifications along with the applicable provisions outlined in the 2021 South Carolina Building Code.

___ **Rooftop – Mounted Photovoltaic Panel System:** As the contractor of record, authorized agent or *owner* / builder, I attest to the installation of the rooftop mounted *photovoltaic panel system* in accordance with the design specifications outlined in the *construction documents* along with the manufacturers installation specifications. The installation meets the provisions set forth in Chapters 15 and 16 of the 2021 South Carolina Building Code in addition to electrical provisions of article 690 of the 2020 NFPA 70 (NEC).

Note: Italicized terms are defined in chapter 2 of the 2021 South Carolina Building Code
