Our Policies

The HCACC will accept stray pets within Horry County when possible. There is an intake fee of \$10 per animal or \$25 per litter; these fees help with the initial exam, vaccinations, deworming and standard testing so that we can provide the best care and treatment for the animals. If you cannot afford to pay the intake fee please speak with a Customer Service Representative.

When you surrender ownership of your pet, **YOU GIVE UP ALL RIGHTS AND CLAIMS** to that animal. We will not contact you further. If you are not comfortable with this policy, try placing an ad in the newspaper, online or with other facilities before bringing the pet here. We cannot guarantee that your pet will be adopted.

FAQ's

- **What if a stray comes to my house?**

If a stray shows up, bring it to the HCACC during normal business hours or you can contact Animal Control at (843) 248-1520 to come and pick it up. Please note that they do not pick up stray cats unless they are already captured. If you cannot catch it, you will need to purchase, rent or borrow a trap.

- **How do I report animal abuse?**

Contact Horry County Animal Control at (843) 248-1520. They will send an officer to investigate the situation.

- **Can I borrow a trap?**

Horry County does not have traps available for public use.

- **What is the leash law in Horry County?**

There isn't an actual leash law in the county. There is a public nuisance ordinance that states that the animal **MUST** be on the owner's property or under the owner's control at all times. Pets cannot run at large.

The Horry County Animal Care Center accepts cash, Visa, MasterCard, Discover and Gift Certificate Vouchers as acceptable forms of payment. We do not accept checks (except in the form of a donation). Full payment is due at the time services are rendered. No payment plans are acceptable.
