- Beauty Salons / Barber Shops / Dog groomers
- Christmas Tree Sales
- Massage Therapy Spas
- Medical Offices
- Mobile Food Vending
- Produce Stands
- Restaurants/Bars and Late-night establishments
- Storage Yards
- Tow Yards

**A signed lease agreement is required for all commercial businesses.**

*Please contact the Code Enforcement Department at 843-915-5090 for information regarding building construction or any change of use to an existing commercial building.*

***All commercial site plan reviews require a fee. Please contact the Planning and Zoning Department for procedures.***

## **Additional Information required for the following Businesses**

### **Sales, leasing & rental of Auto/Vehicle, equipment & Manufactured homes**

1. New locations will need to submit for a commercial plan review. Please include a site plan drawn to scale showing location of the office, display area of vehicles for sale, parking, and landscaping.
2. Existing approved locations may submit your application for review. We will verify if there is an approved plan on file. If we don't have an approved plan, the new location requirements will apply.

### **Beauty Salons/ Barber Shops**

1. Please provide a floor plan labeling the rooms, chairs, beds and/or tables as this use may require additional parking.

### **Christmas Trees Sales (Temporary)**

1. Open lot sale of Christmas trees for a period not to exceed forty-five (45) days. (Art. X Section 1002).
2. Please submit Christmas Trees sales application along with a Building permit application and detailed site plan to the Code Enforcement Dept. for review and approval.

### **Massage Therapy/Spas**

1. Submit your application including a floor plan of the inside of the building labeling the purpose of each room.
2. Please provide a list of the number of massage therapists that are working at this business with a copy of each of their SC Massage Therapy License.
3. Conditional requirements are:
  - \* All massage therapists shall be licensed by the State of South Carolina;
  - \* Services offered and advertised shall not include any type of bathing services performed by an employee or agent of the spa;
  - \* Hours of operation are limited to 8:00 a.m. to 10:00 p.m.
4. A Zoning Inspector will do an on-site inspection before the zoning compliance is issued.

### **Medical Offices**

1. Please provide a floor plan labeling the treatment rooms, waiting areas, offices and restrooms, as this use may require additional parking.

### **Mobile Food Vending**

1. Commercial site plan review is required. Please submit the site plan, Mobile Food Vending application and the Commercial Zoning Compliance Application to Planning & Zoning for review.

### **Overlay Districts (Corridors)**

1. Any parcel located within an overlay district may have additional requirements. Please refer to Article VIII of the Horry County Zoning Ordinance.

### **Produce Stands (Temporary)**

1. Please submit the Produce/Shrimp Stand application along with a Building permit application and detailed site plan to the Code Enforcement Dept. for review and approval. Site plan should indicate where the produce stand will be located, all required parking spaces and other documentation as required.

## **Restaurants/Bars and Late-night establishments (open after midnight)**

1. Properties within five hundred (500) feet of a residential district or use may need to apply for a Special Exception from the Zoning Board of Appeals. Planning & Zoning will verify if this is required and let you know the procedure.
2. If you are planning on being open after 12:00 midnight, Horry County Police Dept. requires that you obtain a Pre-clearance letter before we can issue a zoning compliance or apply for a Special Exception.

## **Storage Yards**

1. Any business that has open yard storage areas will be required to submit a commercial site plan showing the site will meet the requirements of Section 411.

### *Article IV, Section 411*

To prevent unsightly views from adjacent roadways and land uses, all outdoor storage, junk, salvage, dump yards and high bulk merchandise storage yard areas in commercially zoned districts (unless otherwise defined or directed) shall be screened by a completely opaque fence, or wall not less than six (6) feet in height and shall not be stacked higher than the maximum height allowed for a fence or wall in such commercially zoned district.

Completely opaque screening of all outdoor storage, junk, salvage, dump yards, stock yards and high bulk merchandise areas in industrial and manufacturing districts shall be required if abutting a public roadway (unless otherwise defined) and/or unlike zoning districts. Businesses that are adjacent to like industrial and/or manufacturing are exempt from the screening requirement along the shared property boundaries. Stacking shall also be limited to the maximum allowed fence height. See § 412 [of this Zoning Ordinance]. Items such as recreation vehicles which are not stacked only need be screened to a height of six (6) feet. Junk Cars and salvage yards are required to be screened to a height of eight (8) feet. See section 10-35 of the general code. Industrial and manufacturing businesses within an industrial park shall be exempt from opaque screening and stacking of stored product.
