

Horry County CDBG Application

Addendum #2

Dated: January 24, 2025

1. Are there any funds available for building repairs under this funding?

Only CDBG-eligible public service activities and ESG projects are being solicited under this application cycle. No project applications for rehabilitation of public facilities or owner-occupied housing rehabilitation subrecipients are being requested at this time. Horry County Community Development administers a single family residential owner-occupied housing rehabilitation program for eligible low to moderate income households. Owner-occupants may contact Horry County Community Development at (843) 915-7033 for additional information on the program.
