\*Please note, this meeting is being held to inform members of County Council regarding the potential impacts of the requested rezoning to construct a hospital on International Drive. While a quorum of County Council may be in attendance this event is not considered a meeting of County Council. There will be no votes taken or decisions made in this meeting. In an abundance of caution, this meeting was advertised in advance and is open to the public consistent with the Freedom of Information Act requirements for a public meeting.
