## **ZONING BOARD OF APPEALS SUBMITTAL REQUIREMENTS**

### ***RURAL TOURISM PERMIT***

**A pre-construction meeting will be required before submittal of this application will be accepted. Please contact our office at the phone number above to schedule a meeting. After the meeting a commercial site plan reviewed will need to be submitted to Planning and Zoning to ensure compliance with all County and State regulations (Stormwater, Engineering and Code Enforcement).**

**All applications will be reviewed by an authorized Planning and Zoning staff member prior to acceptance to verify that the application is complete and all required documents are provided. Incomplete applications will not be accepted.**

#### **FEES**

**A \$200 fee** is required for each variance, appeal or special exception application; payable by cash or check upon submittal of the application. Please refer to the attached meeting schedule for submittal times and meeting dates.

#### **HEARING PROCEDURES**

1. The Zoning Administrator will summarize the request being brought before the Board and give a staff analysis of the request.
2. The applicant or their attorney will present their case to the Board and answer any questions the Board might have.
3. Any members of the public will be allowed to speak for the request, provided repetition is discouraged. Questions may be asked by the Board members.
4. Any party with a valid interest in opposing the request shall be allowed to present their case to the Board and shall answer any questions the Board might have.
5. Any members of the public will be allowed to speak against the request, provided repetition is discouraged. Questions may be asked by the Board members.
6. The Board may then deliberate and make motions, asking staff questions as needed.
7. Upon request by any interested party or his or her attorney, or at such other time as the Chairman in his or her discretion may allow, cross-examination of any witness may be conducted regarding evidence which is relevant to the issues before the Board.

Each agent or attorney presenting evidence will identify himself/herself and the parties they represent upon addressing the Board. Each member of the public who is recognized by the Chairman for comments will identify themselves prior to making comment. Any witness testifying before the Board who is not an attorney representing a client before the Board shall first be placed under oath.

#### **NOTIFICATION OF DECISION**

The Board's decision will be transmitted to the appellant and the Zoning Administrator.

## **Code Enforcement requirements**

### New Structures

1. All new structures requiring a building permit shall meet the requirements of the adopted building codes referenced in section 6-9-50 of the South Carolina Code of Laws.
2. A permit application with site plan and *construction documents* shall be submitted for examination by the building code official. Construction documents shall be prepared by a *registered design professional* and be consistent with the requirements of SC Law of Codes Title 40. Each structure shall be permitted separately.

### Existing Structures

1. Existing structures which will be used for rural tourism purposes, shall be evaluated by a registered design professional for gravity, wind, snow, and seismic loads in accordance with the SC Building Code.
2. A permit application for a *change of usage* with a site plan and *construction documents* shall be submitted for examination by the building code official. The construction documents shall consist of the evaluation report of the structure and any alterations required to meet code. Construction documents shall be prepared by a registered design professional and be consistent with the requirements of SC Law of Codes Title 40. Each structure shall be permitted separately.

### Use and Occupancy

1. All new and existing structures shall be identified for all its intended uses and occupancy classifications.

### Fire Protection

1. Fire hydrant protection shall be provided to all structures in accordance with SC International Fire Code or alternate means where approved by the fire code official.
2. Automatic sprinkler and fire alarm systems shall be installed where required by chapter 9 of the SC International Building Code.

### Accessory Structures

1. Accessory structures such as playground equipment and others intended for usage shall be evaluated by a registered design professional for safe operation.

## **Storm Water Requirements**

1. All land disturbance activities associated with land development and construction are required to obtain a stormwater permit if one-half (0.5) acre or more of area will be disturbed. Land disturbance is defined as any use of the land that results in a change in the physical characteristics or topography that may cause erosion that contributes to sediment and alters the quality or quantity of stormwater runoff.
2. Exemptions – A number of activities are exempt and therefore do not need to obtain a stormwater permit. Single family residential construction, Agricultural land uses, timbering activity, and minor residential subdivisions as defined by the County Land Development Regulations. If a project received OCRM approval prior to the effective date of the County ordinance and the project is under construction, then an exemption may be issued.

## Amusement Activities not allowed in Rural Tourism

### AM1 - Indoor Amusement Commercial District

**Intent.** The Indoor Amusement Commercial (AM1) District is intended to provide opportunities to locate and develop uses that are amusement-related that are generally located within fully enclosed buildings or facilities. Uses typically located within this district have limited impact upon adjacent properties due to their location within enclosed structures.
