

## Horry County ESG Application

### Addendum #1

*Dated: January 27, 2025*

**1. Is there a prioritization for activities through ESG funding?**

The eligible activity types available for funding through the ESG program are rapid rehousing, homelessness prevention, emergency shelter, street outreach, HMIS data administration, and administration. Applications for ESG are evaluated based upon merit, experience, capacity, and feasibility. Pursuant to 24 CFR 576.100(b), the total amount of annual ESG funding that may be used for street outreach and emergency shelter activities combined cannot exceed 60 percent of Horry County's annual ESG entitlement award from HUD. For additional information on ESG, please see the Horry County virtual application workshop powerpoint, which are available for download at <https://www.horrycountysc.gov/departments/community-development/public-notices/>.
